SERVICE DELIVERY

We have a dedicated team of drivers and sales operators who work in close contact with the management.

We constantly ensure that we deliver the best service to our customers, can they be retailers or the final consumers of our goods.

Our sales operators are present in the biggest shops throughout Zambia in order to make sure we deliver an outstanding service. We register our customer feedback and the information we gather is transferred to the head office which analyses it to improve our performance on a weekly basis.

OPERATIONS & LOGISTICS

Our dedicated operations team is supervised by the two directors: Mr. Antonino Sciarrino and Mr. Donato Elicio who are also active in the day-to-day operations of the company.

Another key figure in the company's management is the deputy manager Mr. Vito Elicio, who makes sure that there is continuity of the operations at the head office when the directors are in the other Districts of Zambia.
